PRESIDENT'S MESSAGE

It is my honor and pleasure on behalf of the officers and directors of the California Golden State Trapshooters Association, to invite you, your family and friends to attend the 99th Annual California Golden State Trapshooting Championships, held on the grounds of the Kingsburg Gun Club in Kingsburg California.

Again as last year we will be shooting the California Class Singles on two days, splitting the event between Tuesday and Wednesday mornings. Also in place as last year is the use of the banks “B” thru “G”. This is largely in part to efficiency of the shoot off staff both inside and outside. A few changes to the special categories this year are the addition of new categories for Lady, Junior and Vet. We will be implementing the Lady II, Junior Gold, and Sub Vet categories during the Championship events (Events 6,7,8,&9). These new categories are outlined on the Classification Page of this program.

As last year we again welcome the SCTP, Aim and their families. Both organizations will be shooting their Championships on Saturday June 16th during the Youth Shooting day. This day is open to all youth organizations that wish to shoot for their State Championship titles. “Thank You” to White Flyer for their generous donation to both of these youth organizations again this year. White Flyer has always been a grand supporter of youth shooting, and the support is greatly appreciated. Good luck to all of the youth shooters and as always you are welcome to join us throughout the California State Shoot.

Pre-Squadding is available and I encourage all to utilize this option as it saves time standing in line at the Handicapping window. Again we will be counting on Norm Volponi and his crew for the professional service he provides for us each year. Please, don't forget it is your responsibility to have your average card up to date. ATA Delegate James Hammond and the Handicap Committee will the most up- to-date data available, but your average card must be filled out with wins, ties and your latest scores.

Ladies don't forget to play bingo with prizes totaling over \$1200.00. Thanks to all the volunteers that make this event possible for the ladies at the state shoot. Have fun and a great time. Don't miss out.

Your CGSTA Directors and members of the Kingsburg Gun Club have spent many hours to make this state shoot a successful and memorable event. We look forward to seeing all of you in June.

Shoot well and we will see you at Kingsburg.

Jim Wyllie, CGSTA President

Delegate's Welcome

Welcome to the 99th annual California State Shoot. The California State Shoot is one of the best shoots in the country. For those that are attending for the first time, Kingsburg and the California Golden State Trapshooters Association do an incredible job. We are absolutely very fortunate to be able to spend time with our families and friends while competing in a great sport.

Over the years the out of state participation has increased and we always thank the shooters who travel such long distances to shoot and support our State Shoot. With the added categories the CGSTA has provided some great opportunities for those that may be looking for All American points. I'd like to give a special thanks to all those who have volunteered their time and all of the donations that support shooting in California.

With all of the changes that have taken place in our youth shooting programs in California, I would like to thank Marc Billen, Kym Hughes, the Kingsburg Gun Club, and the CGSTA Board members who have supported both the SCTP and AIM programs. On June 16th, 2012, the SCTP and AIM State Shoots will be shot on the same day. I do believe this is an exciting time for the youth shooting programs in California. I as well as others, look forward to the continued success of our youth shooting programs.

During this year's Grand American, Bill Martin has once again donated \$100,000 for the Grand American Challenge. During last year's Grand American, Vickie Crane was the first lady and California shooter to participate in the \$100,000 Challenge. LeeAnn Martin has graciously donated \$200,000 for the Lewis Challenge. This year's shoot will also include a "Ladies Challenge" where the Martins have donated an additional \$50,000. With such great donations this is the perfect time to attend the 2012 Grand American at Sparta, being held on August 8th through August 18th. Please review the qualifying requirements that can be found on www.trapshooters.com or www.shootata.com. Please take the time and thank Bill and LeeAnn Martin for their incredible donations. I look forward to seeing all of our California Shooters at this year's Grand American.

This year was an exceptional year for the California Shooters who made the All-American Teams. Andrew McClernon and Ronnie McMahan shot well all year. This is the first time that these two great shooters have made the All American Team. Andrew is on the Men's Second Team and Ronnie is on the Veteran's Second Team. To round out the list of All Americans, David Kelly Men's First Team, Jennifer Wilburn Woman's First Team, Vickie Larkin Woman's Second Team, and Tom Larkin Senior Veteran's Second Team. Congratulations to everyone and hope your successes continue. Good luck shooting and remember shoot straight and have fun.

See you soon,

James Hammond
California ATA Delegate

WELCOME FROM THE KINGSBURG GUN CLUB

OFFICIAL HOME OF THE CALIFORNIA TRAPSHOOTING CHAMPIONSHIPS

The board of directors and membership welcome you to the 2012 Kingsburg Gun Club California State Trapshooting Championships for the 46th time at our club.

We welcome all shooters and their families to the 99th California State Shoot and we look forward to hosting the shoot in affiliation with the CGSTA. KGC members have put forth great effort in preparing the grounds for this event, hoping to make all shooters feel welcome and hoping that we can provide the best services that we can at our facility. The shoot brings in much needed revenue for the club and the surrounding community. We invite you to take advantage of the services on the grounds as well as in the immediate community of Kingsburg and the surrounding areas.

The Kingsburg Gun Club has self-contained camping spaces that are limited to use only by ATA members and shoot participants. These spaces are allotted on a first-come first-served basis, and are subject to daily camping fees.

No motorcycles, mopeds, motor scooter, or golf carts will be allowed on the club grounds, except those used by shoot personnel. No boats or personal water craft will be allowed on the launch ramp or in the beach area at the Kingsburg Gun Club for the duration of the pre-state shoot and the state championship shoot.

The Kingsburg Gun Club and the CGSTA membership are animal lovers, but for the safety of the animals and the families that attend the shoot, we ask that you leave your pets at home. Participants and campers with pets MUST camp and park at the east end of the grounds near "E" bank. Dogs will not be allowed anywhere on the grounds west of "E" bank.

A strict 10pm curfew for minors will be enforced. Minors found wandering the grounds after 10pm, and their parents, may lose their camping privileges and be asked to leave the grounds at the club's discretion.

The Kingsburg Gun Club reserves the right to ask any shooter, vendor, or camper, or members of their party to leave the grounds for any reason that shoot management deems necessary.

Shotgun shells and other shooting supplies will be available on the grounds, and we ask that you patronize our vendors during your visit. No other shells may be sold on the club grounds. Anyone caught selling or delivering shells on the club grounds will be asked to leave.

The Kingsburg Gun Club and the CGSTA welcome you once again and hope that you have a safe, fun, and enjoyable time at the 99th California State Shoot.

Sincerely,
Scot Hopson, President KGC

2012 CGSTA JUNIOR PROGRAM

Dear CGSTA Members,

Once again it's time for the CGSTA Junior Program Committee to look to the state shoot and how it can provide for the up-and-coming junior shooters that participate in our shoot. Every year the youth participation at the California State shoot has increased. This is due in part to youth involvement in the various Youth Shooting Programs around the state and county, subsequent exposure to the sport of trapshooting through these programs, and the efforts of the CGSTA Junior Program Committee to provide our kids with reduced target prices.

This year is no different and we're asking for donations from the CGSTA membership to make it happen. Your donation dollars will go 100% to the following:

- Reduced target prices for junior shooters during our state shoot - \$23 per hundred,
- Trophies to the AIM Shooting Program winners,

“Any and all donations are greatly appreciated. Every Junior shooter participating in the California State Shoot will benefit from this program.” All donations are tax deductible now.

Keeping kids in this sport is key to the future of our shooting sports.

Please give generously. Send your donations to:

Shells & Components**

The Shell House will feature a variety of popular shells.

Today is the day, make the most of it.

SHOOT-OFFS

Contestants will be called : First Call, Second Call and Final Call for all shoot-offs. The Final call will be made 10 minutes after the First call. All shoot off contestants must check in at the designated location in front of the Handicapping Office. Contestants not checking in at the designated location within 5 (five) minutes of the the final call will forfeit their opportunity to compete for the trophy in question.

The Shoot-Off sheet will indicate the trophy(s) for decision. No other trophy decision will be part of the shoot-off unless it is indicated on the sheet prior to the beginning of the shoot-off.

In the event that two or more shooters of the same class or yardage group are still tied, a second shoot-off will determine the winner.

CGSTA will make every attempt to have shoot-offs held before darkness or under the lights the same day the event was completed.

All donated trophies held by the CGSTA will be determined by a separate shoot-off (if required). Trophies from other organizations will not be determined by the CGSTA.

Violation of the ATA rule on Alcohol and drug use will disqualify the contestant from participate in the shoot-off. Refer to the ATA Official Rules book dated September 1 2011. See page 41, XII, B, 2 and page 17, IV,I, 8.

TROPHIES

No shooter may win more than one (1) ATA trophy in the same event. This means a contestant may not win both Champion and runner-up/place, class, yardage, or special category.

Special category shooters may declare only one Category – Lady I, Lady II, Sub Junior, Junior, Junior Gold, Sub Veteran, Veteran or Sr. Veteran.

Any shooter who is tied for event champion may shoot for the Championship trophy. If a shooter fails in the Champion Trophy shoot-off and has declared a special category, the shooter will fall back to category.

Any shooter who has declared a special category and whose score qualifies him/her for a trophy in that category will compete for the category trophy and not for place, class or yardage group.

Any shooter who has declared a special category and whose score doesn't qualify for a trophy in that category may compete for place, class or yardage group.

See Official ATA Rules dated September 1, 2011, Rule X, D; pg36-37

PURSES AND OPTIONS

High Gun System: This is a winner(s) take all system where the shooters playing the purse with the highest score(s) divide the pot. If for example, the purse money division is 40%-30%-20%-10% High Gun and there are two 100's and three 99's, the two 100's receive 35% each (1/2 of the 40% +30%) and the three 99's receive 10% each (1/3 of the 20%+10%).

Lewis Class: Other than the high score(s), the other winners in this purse are primarily a matter of chance (luck). When the event is completed, the scores of all participants are listed from highest to lowest and then they are divided into as many groups as there are classes. If a dividing line splits a score, that score goes into the group in which the majority reside, to the lower in case evenly split. At that point, each class allocates it (even) share of the total entry percentage system within the class.

Percentage System: This option is based on a fixed number of scores. For example, if the allocation is 50%-30%-20% Percentage system, then all participating shooters shooting the high score will split 50%, all participants shooting the second high score will split 30% and all participating with the third highest score will split the 20% share.

Federal Tax Law requires the issuance of 1099 Misc. on winnings over \$600.

PRE-SQUAD PROCEDURE

The CGSTA is offering pre-squadding for the 2012 California State Shoot. If you pre-squad, your entry form will be awaiting you when you arrive at the shoot. There will be a non-refundable \$7.00 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted, but all entries must be mailed with a \$7.00 pre-squad fee for each shooter. (There is a provision for any shooter forgetting to send money as this can be added to your entry form and paid for at time of entry.) Shooters wanting to shoot together on the same squad **MUST** send in their forms together.
2. **Do NOT send cash as payment of your pre-squad fees!**
3. **Do NOT pre-pay your event fees (Daily, Event, or Options)!**
4. Send your pre-squad form and check, payable to CGSTA, to:

**CGSTA SECRETARY
1045 Oak Glen Rd
Santa Ynez, Calif. 93460**

To assure being pre-squadded, pre-squad forms must be postmarked no earlier than May 14, 2012 and no later than June 10, 2012. The CGSTA will not be responsible for any late or lost entries.

5. If you send a self-addressed, stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.
6. The pre-squad Handicap window will be open Sunday, June 17 from 11am to 4pm. After you are classified, take your entry form to the cashier window. This completes your entry into the shoot. **Only Pre-Squadded shooters will be processed at this time. Regular Entries will open Monday, June 18, at 11am.**
7. To avoid short squads, pre-squad forms **MUST** be picked up and processed before your first requested event or your assigned squad will be opened up to the public for the remaining events. The highest available squad for pre-squad will be #120.

If the requested squad or post is not available, you will be squadded by your alternate choices. If there are not alternate squad or post marked the squadder will use his/her judgment.

People who pre-squad must shoot the same squad number for all events, except for doubles. Because the number of people shooting doubles is fewer, shooters may be moved up to fill doubles squads. Pre-squadded shooters must pay for all targets at the time of their initial entry.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder **MUST** be notified.

Pre-Squadding will be done in the following order:

1. Full squads/individuals shooting the whole program.
2. Partial squads shooting the whole program.
3. Full squads shooting a partial program
4. Partial squads/individuals shooting a partial program.
