PRESIDENT'S MESSAGE

On behalf of the Officers and Directors of the California Golden State Trapshooter's Association, it is my privilege to invite you to the 100th Anniversary of our California State Trapshooting Championships, again being held at the Kingsburg Gun Club in Kingsburg, CA.

Please join me in giving a big thank you to White Flyer for their generous donation and for sponsoring our "Fun Shoot", the "Pump Gun Event" on Friday night, as well as for sponsoring the HOA event.

Thank you also, to those who made it possible to continue our Ladies Bingo. Your support is greatly appreciated.

We will be having a dinner Saturday night, so please be sure you get your dinner tickets when you cashier.

This year we offer two options for pre-squadding. For your convenience, you have the choice of pre-squadding on presquad.com or, we have also left in place the standard "mail-in" pre-squadding option so that, if you wish, you can arrange to shoot on the same squad as you have in the past.

Please plan on attending the Hall of Fame Induction Ceremony as well as the State Team Awards Ceremony. The shooters being recognized during these events deserve our recognition and congratulations.

Your Officers and Board of Directors have worked especially hard to make this Centennial Year's State Championships a truly memorable event, while maintaining appropriate fiscal responsibility. Please thank those Officers and Directors for their efforts when you see them. They will appreciate it very much.

I'll be looking forward to seeing each of you "on the line".

Shoot Well!!

Marsh Hauge
CGSTA President

Delegate's Welcome

Welcome to the 100th annual California State Shoot. The California State Shoot is one of the best shoots in the country. For those that are attending for the first time, Kingsburg and the California Golden State Trapshooters Association do an incredible job. We are absolutely very fortunate to be able to spend

time with our families and friends while competing in a great sport.

Over the years the out of state participation has increased and we always thank the shooters who travel such long distances to shoot and support our State Shoot. With the added categories the CGSTA has provided some great opportunities for those that may be looking for All American points. I'd like to give a special thanks to all those who have volunteered their time and all of the donations that support shooting in California.

This year the ATA has added money (\$500) that will be split 50-30-20 (High Gun) to the top three resident shooters in the California State Shoot President's Handicap Event. On Tuesday at the Grand American, the declared Event Champion will be competing against other winners from the State and Provincial Tournaments. The winner will receive a belt buckle and \$1,000.

California Shooters who made the All American Teams are: David Kelly Men's First Team, Andrew McClernon Men's Second Team, Jennifer Wilburn Woman's First Team, Kerrie Largent and Vickie Larkin Woman's Second Team, Steve Smith Sub Vet Second Team, and Ronnie McMahan Senior Veteran's Second Team. Congratulations to everyone and hope your successes continue. Good luck shooting and remember shoot straight and have fun.

See you soon,

James Hammond
California ATA Delegate

WELCOME FROM THE KINGSBURG GUN CLUB

OFFICIAL HOME OF THE CALIFORNIA TRAPSHOOTING CHAMPIONSHIPS

The board of directors and membership welcomes you to the 2013 Kingsburg Gun for the 47th time.

We welcome all shooters and their families to the 100th California State Shoot and we look forward to hosting the shoot in affiliation with the CGSTA. KGC members have put forth great effort in preparing the grounds for this event, hoping to make all shooters feel welcome and hoping that we can provide the best services that we can at our facility. The shoot brings in much needed revenue for the club and the surrounding community. We invite you to take advantage of the services on the grounds as well as in the immediate community of Kingsburg and the surrounding areas.

The Kingsburg Gun Club has self-contained camping spaces that are limited to use only by ATA members and shoot participants. These spaces are allotted on a first-come first-served basis, and are subject to daily camping fees. No motorcycles, mopeds, motor scooter, or golf carts will be allowed on the club grounds, except those used by shoot personnel. No boats or personal water craft will be allowed on the launch ramp or in the beach area at the Kingsburg Gun Club for the duration of the pre-state shoot and the state championship shoot.

The Kingsburg Gun Club and the CGSTA membership are animal lovers, but for the safety of the animals and the families that attend the shoot, we ask that you leave your pets at home. Participants and campers with pets **MUST** camp and park at the east end of the grounds near “E” bank. Dogs will not be allowed anywhere on the grounds west of “E” bank.

A strict 10pm curfew for minors will be enforced. Minors found wandering the grounds after 10pm, and their parents, may lose their camping privileges and be asked to leave the grounds at the club’s discretion.

The Kingsburg Gun Club reserves the right to ask any shooter, vendor, or camper, or members of their party to leave the grounds for any reason that shoot management deems necessary.

Shotgun shells and other shooting supplies will be available on the grounds, and we ask that you patronize our vendors during your visit. No other shells may be sold on the club grounds. Anyone caught selling or delivering shells on the club grounds will be asked to leave.

The Kingsburg Gun Club and the CGSTA welcome you once again and hope that you have a safe, fun, and enjoyable time at the 100th California State Shoot.

Sincerely,

Scot Hopson, President KGC

ANNOUNCEMENTS

This printed program will govern the California State Shoot

The current Amateur Trapshooting Association Official Rules will govern all points not otherwise enumerated. The Executive Committee reserves the absolute right, in its discretion, at any time prior to or during the California State Shoot to change or modify the program in any manner it desires. Interpretation of this program will be made by the Executive Committee and their decision shall be final.

In case entries are so numerous that darkness and or any other cause prevents the finish of any event the same day it commenced, the CGSTA reserves the authority to stop the shooting at any time it may be deemed necessary. In this case, conditions permitting, the event will resume where it was interrupted promptly the next day at a time no later than 8:00am.

In case of ties not otherwise covered, the monies for the number of places covered will be added together and divided equally among those in the tie, regardless of the outcome of any shoot-offs.

REFUND POLICY: Target money will not be refunded once cashiered. Option money can be refunded until the start of the event at which time it becomes non-refundable.

State Shoot pins will issued as long as supplies last

Starting banks for each event are determined by draw. Singles and Handicap events are done first, and then doubles. The letters B-G are put into a hat. Once a letter is pulled it is not returned to the hat. The first letter drawn is the starting bank for Event 1A (Event 1B will be shot one bank to the right from starting bank of Event 1A), the next letter is for Event 2, etc, until all the singles and handicap events have been done.(For Event 9 all letters will be returned to the hat and one (1) letter will be drawn to determine starting bank). Then the letters B-M are put into a hat. A letter is drawn for Event 5 and another for Event 6.

PURSES AND OPTIONS

High Gun System: This is a winner(s) take all system where the shooters playing the purse with the highest score(s) divide the pot. If for example, the purse money division is 40%-30%-20%-10% High Gun and there are two 100's and three 99's, the two 100's receive 35% each (1/2 of the 40% +30%) and the three 99's receive 10% each (1/3 of the 20%+10%).

Lewis Class: Other than the high score(s), the other winners in this purse are primarily a matter of chance (luck). When the event is completed, the scores of all participants are listed from highest to lowest and then they are divided into as many groups as there are classes. If a dividing line splits a score, that score goes into the group in which the majority reside, to the lower in case evenly split. At that point, each class allocates it (even) share of the total entry percentage system within the class.

Percentage System: This option is based on a fixed number of scores. For example, if the allocation is 50%-30%-20% Percentage system, then all participating shooters shooting the high score will spilt 50%, all participants shooting the second high score will spilt 30% and all participating with the third highest score will spilt the 20% share.

Federal Tax Law requires the issuance of 1099 Misc. on winnings over \$600.

TARGET SETTING

ALL ORANGE TARGET WILL BE THROWN

The Target Setting Committee shall meet and after securing predicted weather conditions for the day, set targets each morning and upon event changes in accordance with ATA rules. Singles and Handicap targets shall be thrown not less than 49 yards nor more than 51 yards when measured on level ground in still air. Targets shall be between 8 and 10 feet high. The recommended height is 9 or 9 1/2 feet. Doubles targets shall be thrown not less than 44 yards nor more than 51 yards when measured on level ground in still air. Targets shall be between 8 and 10 feet high. The recommended height is 9 to 9 1/2 feet. The angles on all targets shall be set in conformance with Rule XIII, E of the ATA Official Rules (pg 48)

After the targets setting committee has completed setting the targets, the Field Supervisors (Line Referees are the only individuals authorized to all resetting of targets. The targets shall only be reset if they become illegal or appreciable vary from the legal targets described above. The final decision to whether a trap is to be reset shall be made by the Line Referees.

SHOOT-OFFS

Contestants will be called: First Call, Second Call and Final Call for all shoot-offs. The Final Call will be made 10 minutes after the First Call. All shoot-off contestants must check in at the shoot-off table, which is located adjacent to the on-deck board in front of the Handicap building. Contestants not checking in at the shoot-off table within 5 minutes of the Final Call will forfeit their opportunity to compete for the trophy in question.

The Shoot-Off sheet will indicate the trophy(s) for decision. No other trophy decision will be part of the shoot-off unless it is indicated on the sheet prior to the beginning of the shoot-off.

In the event that two or more shooters of the same class or yardage group are still tied, a second shoot-off will determine the winner.

CGSTA will make every attempt to have shoot-offs held before darkness or under the lights the same day the event was completed.

All donated trophies held by the CGSTA will be determined by a separate shoot-off (if required). Trophies from other organizations will not be determined by the CGSTA.

Violation of the ATA rule on Alcohol and drug use will disqualify the contestant from participate in the shoot-off. Refer to the ATA Official Rules book dated September 1 2011. See page 41, XII, B, 2 and page 17, IV,I, 8.

TROPHIES

No shooter may win more than one (1) ATA trophy in the same event. This means a contestant may not win both Champion and runner-up/place, class, yardage, or special category.

Special category shooters may declare only one Category – Lady I, Lady II, Sub Junior, Junior, Junior Gold, Sub Veteran, Veteran or Sr. Veteran.

Any shooter who is tied for event champion may shoot for the Championship trophy. If a shooter fails in the Champion Trophy shoot-off and has declared a special category, the shooter will fall back to category.

Any shooter who has declared a special category and whose score qualifies him/her for a trophy in that category will compete for the category trophy and not for place, class or yardage group.

Any shooter who has declared a special category and whose score doesn't qualify for a trophy in that category may compete for place, class or yardage group.

A Little Trivia

Maynard B Henry

Do you know who Maynard B Henry was? He was the first ATA President from California, check out the California Hall of Fame website or the ATA Hall of Fame Website for more information about him. The Maynard B Henry Trophy in Doubles is in honor of this man who loved trap shooting, especially doubles! The purse, now available at the State Shoot, use to be a compulsory purse at shoots throughout the State and not unusual to have \$500.00 or \$600.00 in the purse.

PRE-SQUAD PROCEDURE

The CGSTA is offering pre-squadding for the 2013 California State Shoot. If you pre-squad, your entry information will be awaiting you when you arrive at the shoot. There will be a non-refundable \$7.00 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted, but all entries must be mailed with a \$7.00 pre-squad fee for each shooter. Shooters wanting to shoot together on the same squad **MUST** send in their forms together. **Do NOT send cash as payment of your pre-squad fees!**
2. Send your pre-squad form and check, payable to **CGSTA**, to:

Vickie Craine
911 W Hwy 246
Buellton, CA 93427

To assure being pre-squadded, pre-squad forms must be postmarked no earlier than **May 1, 2013** and no later than **May 24, 2013**. The CGSTA will not be responsible for any late or lost entries.

3. If you send a self-addressed, stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.
4. The pre-squad Handicap window will be open Sunday, June 23rd from 10 am to 4 pm. After you are classified, take your entry form to the cashier window. This completes your entry into the shoot. Only pre-squadded shooters will be processed at this time. Regular entries will open Monday, June 24th, at 8 am.
5. To avoid short squads, pre-squad cashiering **MUST** be completed at least 1 hour prior to start of your first registered event or your assigned squad will be opened up to the public for the remaining events.
6. If the requested squad or post is not available, you will be squadded by your alternate choices. If there is not an alternate squad or post marked the squadder will use his/her judgment.

People who pre-squad must shoot the same squad number for all events. Pre-squadded shooters must pay for all targets at the time they check in at the window.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder **MUST** be notified. You can email Vickie with questions or changes at: ladyclayshooter@gmail.com.

Pre-Squadding mail in forms will be done in the following order:

1. Full squads/individuals shooting the whole program on the same squad #
 2. Partial squads shooting the whole program on the same squad #
 3. Full squads shooting a partial program on the same squad #
 4. Partial squads/individuals shooting a partial program on the same squad #
7. ****NEW THIS YEAR**** Pre-squadding will be available online at www.presquad.com for \$1.00 per post per person from **May 31st** thru **June 21st**. Those of you pre-squadding prior to May 24th via mail will have their squads reserved and not available to the public. Payments can be made at the time you pre-squad electronically with Presquad.com. You must shoot the same squad number all the way to use this service.
