**SHOOTING RULES**

A.T.A. rules will govern this shoot and all targets will be registered with the A.T.A.

This program has been carefully prepared, the events scheduled and planned in accordance with conditions and expected attendance. However, Management reserves the right to alter this program if conditions warrant so at the time of the shoot.

Ties for awards will be shot off the day the event is finished, time permitting. Any shooter who is called for a shoot-off and is absent, forfeits his/her rights therein.

Scorer will call out the scores after five targets. It is **your responsibility** to correct any errors at that time. The score sheets will not be changed after a round of five targets has been shot.

No shooter may win more than one award in any one event. Ladies and Veterans may win only one award per event or combined events.

Participants playing Perfect 50's must have 1,000 registered handicap targets in the current and previous year combined or shoot penalty yardage of a minimum of 24 yards. This rule applies to Perfect 50's option only.
